**MARGARET CRISPE** with **Chrysom** below. She was the 3<sup>rd</sup> wife of John Crispe the Younger. She died in 1533. Her inscription reads:

“..... Margarette Cryppys late wife of John Cryppys the yonger whiche Margarette decessed ye XII dai of May in the yere of or lord god MVcXXXIII .....”

The effigy of the ‘chrysom’ child indicates the child died soon after birth, probably at the time of his mother’s death. Sadly it has been damaged, but this is more likely to be vandalism.
