BIRCHINGTON-ON-SEA.

(The only Hotel on Sea-Front.)

This Hotel is of modern construction, and is the most up-to-date Hotel in Birchington.

For Tariff apply to the Resident Manageress.

Telephone No. 42, BIRCHINGTON.

Harry Knapman (below) was the Architect of the Bay Hotel.

The Hotel was built in 1905 at Minnis Bay.
It stood on the eastern headland of the Bay for 56 years like a sentinel.
When it was closed and demolished in about 1961, the residents of the Bay, and many of the villagers were horrified to see three large blocks of soulless flats erected on the site.
