

Mrs Susan Gray – Birchington Hall

By 1902, Mrs Susan Gray had been living at Birchington Hall for 30 years, so must have come there initially in 1875.

The Local Studies section of Margate Library hold a Scrap Book into which she pasted numerous cuttings and memorabilia between the years 1880 and 1905.

The volume is entitled :

“Mrs Gray’s Scrap Book 1880-1905” CODE – 056.955

It is kept in the large glass fronted bookcases at the back end of the room, on the opposite wall to the computer desks.

Unfortunately, it does not contain any pictures of either Mr or Mrs Gray. Many of the items relate to the Susan gray Lifeboat, which the couple donated.
