

CHURCH CLOCK FACE REPAIRS – Oct. 2012

The face of the church clock was renovated at the end of October 2012 and the face and hands repainted with 'gold' paint. The photos were taken by Steve Mayes, who braved the climb up the scaffolding for us.

The money for the work was provided by the Parish Council, under the leadership of Councillor Jack Cohen and commemorates the Queen's Diamond Jubilee of 2012.
