

GUESEND – now Bay House, Cliff Road

The present owner states that this property was built in 1937 for an Admiral. It does not appear in the Kelly's Directories until 1948, probably because the owner would not have been in residence when the forms had to be returned at the end of the autumn each year.

The occupant in 1948 was Mr G. Hoey and it is listed under Cliff Road

By 1974, the last date for Kelly's, Mr J Holloway was the occupant and it was still called Guesend at this time.

The present owners are Bob and Natalie (the latter is sister to Gloria) and they live at Sunningdale most of the time, using the house for holidays mainly.
