1952-58 (approx)

Among the pupils from local families who attended the school during its 6 year tenure in Birchington were :-

Mike Everall (still lives in Birchington)

Peter Bateman - great friend of Martin Pantony
(Peter still lives in Birchington)

Two of the additional teachers, besides the owners Major and Mrs Morton, were Miss Vida Bates and Miss Williams.

The Morton's also ran a second school over in Cliftonville. Peter Bateman thinks it was called "The Queen's School".
