

## Derek Pemble – Minnis Sailing Club photos

1 A group photo taken late in 1957 or early 1958 – shows from L to R Anna Myers, Simon Bowie, Michael Boyes, (in front of Simon), and Cherrie Boyes next to him, then Derek is pointing to the plan and to the right of D. is Eric Magee. They are in the prefab, bought to replace the club house.

2 Shows Derek, James Haig and Michael Boyes on a hot day, just about to go out in Derek's Graduate dinghy, which he built in Michael's father's garage at Roof Tree, Kent Gardens in the late 1950s.

3 Another photo taken in the late 1950s, is of Cherrie Boyes and Derek shows them taking out his 14 foot Kent dinghy named 'Sturgeon' for a sail. This was the boat in which Derek taught Michael Boyes and others to sail. Many memories are encapsulated by that image.

4 This photo was taken in 1958 after all the lads had sailed in the catamarans built by Derek and Peter Hunt.

built by Derek and Peter Hunt. The people in the photo are (from L to R) Richard.....?, Graham Barker. Johnny Steers, Michael Boyes, Derek and Peter Hunt – Happy Days!

5 This photo was taken in the boat park and Derek is the person in shorts (third from the left). He was a sun-worshipper like so many of us.
