

# CRISPE CHARITY STORY

## YOUTH GROUPS

When the Crispe Charity no longer had to fund the Charity School, some of the money was put aside to be given to Youth Groups in Birchington and Acol. There are usually between 8 and 14 groups apply each year and all the applicants receive a grant. The way in which the groups spend their money is guided by their own needs, so it is used for everything from equipment to travelling expenses on Camping trips.

Brownies, Girl Guides, Air Scouts, Girls' Brigade, Sunday Schools and Youth Groups have all benefited from Anna Crispe's legacy. We are all so grateful for this wonderful source of help, which is there for us year by year.

Thank you, Mistress Anna Crispe.
